

A child is Born, A Son is Given!

Dear Friends, Family, and Partners:

What an eventful year this has been! For the fourth year, we send joyous greetings from Yuma, AZ. In spite of a year filled with what seems like “*earth-quakes and quicksand*” of all types, one thing is constant:

***“The Word Became Flesh!
He Dwelt Among Us!
We beheld His Glory!
Full of Grace! And Truth!”***

The old adage, “*Absence makes the heart grow fonder*” certainly is true this year when we cannot be with loved ones and friends we care about so deeply, but it is the case for many. In spite of such a wonderful time of year, many have clouds of darkness blanketing their hearts and minds. Yet, there is hope – there is Comfort!

“The LIGHT has come into the world!”

(John 3:19)

Imagine what the Shepherds saw! When light lit the cave, Light entered the world! Darkness cannot survive when Light invades the scene, even when people love it more than they love light. Light always wins. That’s our message to all. ***Spread it!*** Someone you know needs to hear it.
